Galaxy Tab A7, S6, S6+ S6FE	10.4-10.5"	Yes	Yes	Yes	Yes	No	Recommended Upgrade Android
Galaxy Tab S7, S7+, S7FE	11-12.4"	No	No	Yes	Yes	No	

Note: No = either the tablet is not compatible, does not fit (too large or small in that orientation) or it will make the Kubi top heavy in that orientation

Note: Compatibility requires Bluetooth 4.0 or higher independent of tablet brand

Note: Kubi is not compatible with tablets using MS Windows OS or Amazon Fire OS

Note: Kubi Secure is currently only available for iPad 12.9 inch models
